Dear Parents and Carers,

Amazon Wish List

For the past two years we have been unable to carry out our usual fundraising activities which we usually use to supplement our school resources. This year we have been focussing on improving and developing our curriculum and as part of this drive we have created a Wish List on [Amazon.co.uk](https://www.amazon.co.uk). This contains carefully selected books and resources which we know will greatly benefit our children and or school:

This list will be regularly updated by staff and can be accessed by anyone. Should you wish to, we've made it really easy to donate a book to the school. You can choose to get the book delivered directly to the school office, or if you wish you can add it to your personal shopping and simply bring it into the school office.

Well-Being Spotlight - If you feel your child is struggling you can find ideas and resources on [Young Minds](#). The following questions could be useful if you'd like to have a conversation with your child about mental health in a supportive way:

Questions to ask your child

What things are you looking forward to?

Is there anything you want to talk about?

When was the last time you were very happy?

What makes you feel calm?

How are you finding things at school at the moment?

What things would you like to do in the future?

What difficulties are you facing now?

What can I do to help?

Where is a place you feel safe?

Would it be helpful if we planned each day together?

Do you have any worries about the coronavirus?

Where in our home do you feel like you can have your own space?

What are you worried about when you lie in bed and can't sleep?

Can you show me what you like about gaming?

How do you feel about things changing?

What do you think could help you to feel better?

What have you enjoyed about today?
